

Grannies

Christmas Cake in a bag

Prepacked Fruit Cake Flour Blend 500g

Prepacked Dried Fruit Blend 750g

You need to add:

3 - 4 eggs (150g of egg)

250ml water

METHOD

Preheat oven to 160°C

Place fruit cake flour blend, eggs and water into a mixing bowl.

Beat on low speed for 1 minute.

Scrape down bowl.

Beat for 3 minutes on medium speed.

Scrape down bowl.

Add fruit mix and beat on low speed for 1 minute or until combined.

Pour into lined and greased/floured cake tin.

Bake for 1 ½ hours or until skewer comes out clean.

*_*_*_*_*

As a guide – my Tin size was 22cm/9 inch and was a 6 cm high 1.7kg finished cake.

All finished details are approximate.
